Registration form is on inside back cover of catalog. You may:

- **Register online** at arlingtoncommunityed.org, or
- **Mail** registration form to: Arlington Community Education, 869 Massachusetts Ave., Arlington 02476, or
- **Fax** registration to 781.316.3381

Confirmations

Confirmations are sent when registrations are processed.

Cancellations, Changes & Withdrawals

- No refunds will be made for classes missed or dropped.
- A $15 switch fee is assessed for each requested change in a child's registration.
- All money is returned if ACE cancels a class.
- Withdrawals (minus a $35 fee) must be made in writing and received by ACE before June 1.

Scholarship Assistance

Tuition assistance is available to students receiving free or reduced lunch. Please submit proof of lunch status with registration.

PROGRAM INFORMATION

Locations

Classes meet at Ottoson Middle School, 63 Acton St., Arlington, unless otherwise stated. Exact classroom locations are posted on first day class meets.

Drop-Off & Pick-Up

Children should not be dropped off without an adult prior to 9am.

Children must be picked up promptly at end of class unless other arrangements have been made with program staff. A late fee of $1 per minute will be charged for students remaining at the school beginning five minutes after class (or extended day) ends.

Program Content

Programs that repeat are the same in content unless specifically noted in the description.

Media Release

Occasionally, ACE takes photos of classes for use in catalogs, advertising and other promotional materials. If you do not wish to have photography of your your child used by ACE, please notify the office before your program begins.

Early Drop-Off & Extended-Day Options

EARLY DROP-OFF provides supervised free-play in the Ottoson cafetorium from 8-9am. Younger children are accompanied to their regular classroom at 9am. Pre-registration is required. Cost is $50 per week. See course listing for registration codes.

EXTENDED DAY offers SummerFun supervised activities and free-play from 4-6pm, (MONDAY–THURSDAY only) with time for a parent-provided afternoon NUT-FREE snack. Children have the chance to enjoy both indoor and outdoor play. Pre-registration is required. Cost is $80 per week. See course listing for registration codes.

Week 1: July 8–12	**Week 2:** July 15–19
Week 3: July 22–26	**Week 4:** July 29–August 2

Registration Form

Our registration form can be found on the inside back cover and at arlingtoncommunityed.org.

NEW!
Summer Math Reviews

Math Summer Bridge

ENTERING GRADE 6/ LIMITED TO 10

John Minogue, Ottoson Grade 7 Math Teacher

TWO WEEKS: Help your child maintain their math skills over the summer with a brief review of 5th grade math and an introduction to 6th grade math. This two-week course is for incoming 6th graders who want supplemental math coaching. The course reinforces previously learned math concepts and challenges students to explore new curriculum through individual and small group activities. This is a great way for kids to review what they have learned the previous school year and get a jump start on next year's math topics. Activities will be based on content areas from 5th and 6th grade curricula. Meets at Ottoson Middle School. Contact jminogue@arlington.k12.ma.us with questions.

SF334 July 22-August 2 9am-noon $280

Math Summer Bridge

ENTERING GRADE 7/ LIMITED TO 10

John Minogue, Ottoson Grade 7 Math Teacher

TWO WEEKS: Help your child maintain their math skills over the summer with a brief review of 6th grade math and an introduction to 7th grade math. This two-week course is for incoming 7th graders who want supplemental math coaching. This course reinforces previously learned math concepts and challenges students to explore new curriculum through individual and small group activities. This is a great way for kids to review what they have learned the previous school year and get a jump start on next year's math topics. Activities will be based on content areas from the 6th and 7th grade curriculum. Meets at Ottoson Middle School. Contact jminogue@arlington.k12.ma.us with questions.

SF321 July 22-August 2 1-4pm $280

Algebra 1 Review

ENTERING GRADES 9 & 10/ LIMITED TO 15

Jane Martin, Arlington High Math teacher

This is a review course for students who want to prepare for Honors Geometry in the 9th grade or Algebra 2 in the 10th grade. This course reviews important concepts in Algebra 1 such as quadratics and systems of equations. Enrollment is limited, so register early. For questions, contact jmartin@arlington.k12.ma.us. Meets at Ottoson Middle School.

SF600 August 12-23 9am-noon $300

NEW Spy Ponders Volleyball

ENTERING GRADES 6-12/ LIMITED TO 45

Instructors: Terry Rowe, AHS Boys Varsity/ Girls JV Volleyball Coach & staff

Spy Ponders Volleyball will provide players with the fundamental skills of the sport. Coaches will provide expert instruction in the latest techniques of serving, passing, setting, hitting, blocking and defense. We will focus on individual skills to make each person a better volleyball player! We also will pay special attention to team offense and defense and will lead team-building activities. We want to give a chance to every student to experience what it means to be a part of a team and to be a great volleyball player. All skill levels are welcome. Meet at Arlington High School Red Gym. Camp will incorporate: individual skill development; games and scrimmages and individual and team awards.

SF500 August 5-9 9am-3pm $180

Insider's Guide to Ottoson

ENTERING GRADE 6/ LIMITED TO 75

Peg Regan with Ottoson Middle School Teachers

This fun class is for rising sixth graders coming to Ottoson. Get a behind-the-scenes look at your new school, how the schedule works and what a typical day at Ottoson is like. This is an opportunity to make new friends and see where your classes will take place, before sixth grade even begins. There are plenty of chances to find out everything you want to know about Ottoson! Spots fill fast so please register early. **Sign up for either of two sessions.**

SF001 Monday, July 1 – Wednesday, July 3 9am-1pm $120

— OR —

SF002 Tuesday, August 6 – Thursday, August 8 9am-1pm $120

"Best thing about the whole summer."

Cinderella Stories from Around the World

ENTERING GRADES 1–3/ LIMITED TO 10

Justine Viveiros, Bishop Grade 2 Teacher

Maximum of 12 students. Did you know that there is much more to Cinderella than magical pumpkins and glass slippers? Read Cinderella stories from many cultures and learn about what makes each culture and story special. We will use these stories to explore social studies, math and reading. Our far-reaching activities include making constellation tubes, thumb print strips, animal riddles and much more. We may even try our hand at Reader's Theatre for some stories. Princes and princesses welcome!

SF102 $140

Wacky Science I

ENTERING GRADES 1-3/ LIMITED TO 12

Melissa Gridley, Chelmsford Public School Teacher

Calling all scientists! Interested in how things work? Like to get your hands dirty? Come explore the wacky world of science, featuring new experiments and some of the old favorites! In this class, you will learn to use your observation, exploration and critical thinking skills to explore the world around you. Why can boats weigh so much but still stay afloat? Can you build the strongest or fastest boat? What makes a volcano explode? Can you fit a tornado inside a water bottle? Can you grow a seed without dirt? Is there really such thing as slime? If you enjoy problem solving, love science, and don't mind getting a little dirty, sticky, or gooey, come explore with us in Wacky Science.

SF100 $140

Magic Tree House

ENTERING GRADES 1-3/ LIMITED TO 10

Erin Eldredge, Hardy Kindergarten Teacher

Embark on a journey with Jack and Annie in their Magic Tree House! Visit castles, see the pyramids in Egypt, meet some pirates in the Caribbean, and venture into Japan. We will learn fun facts about these places and times and make crafts to take home each day. We will read some of the stories and design our own tree houses. Please bring some recycled materials from home to our first class to use throughout the week.

SF104 $140

Crafty Kids

ENTERING GRADES 1-3/ LIMITED TO 10

Jennifer Pierce, Hardy Grade 1 Teacher

Are you a crafty kid? Do you love to color, cut, glue and create? Each day we focus on a different theme and create crafts that go along with our theme. We will also spend a day learning about and making a scrapbook. This class gets messy, so please dress accordingly!

SF106 $140

Amazing World Habitats

ENTERING GRADES 1–3/ LIMITED TO 12

Jeanne Hinkley, Thompson Grade 2 Teacher

Explore habitats of the world including the Arctic, tropical rainforest, desert, savanna, and the ocean (coral reef). Learn about the characteristics of each habitat and how it differs from the habitat we live in. Learn, too, about the different animals that live in these amazing habitats. You will pick a habitat to create and share on our last day.

SF108 $140

Nathan's Ninjas

ENTERING GRADES 1-3/ LIMITED TO 12

Nathan Porter, Rising Storm Training Academy

One of our most popular KidZone after-school programs comes to SummerFun! This dynamic class features fun games and teamwork. Come learn a mix of traditional Kempo Karate with elements of sport karate, tumbling and grappling. This class will give you a true self-defense perspective, all while you're having fun and building confidence. Activities include Martial Arts, Team Challenges, Kobudo (Martial Art weaponry) and a mini fun tournament at the end of the week.

SF110 $140

Explore the Rainforest

ENTERING GRADES 1-3/ LIMITED TO 8

Natalie Tassone, Peirce School K-1 Teacher

Spend a week in the rainforest. Each day we will focus on different aspects of the rainforest. We will explore the animals, insects and reptiles that live there, study the weather and climate and learn about exotic plants. We will read stories and poems, do arts and crafts projects, and take a virtual trip to the rainforest!

SF112 $140

The Wonderful World of Dr. Seuss

ENTERING GRADES 1-3/ LIMITED TO 12

Allison Manning, Peirce School Grade 2 Teacher

Explore the wonderful and wacky world of Dr. Seuss. We will read several of his hilarious and exciting books and engage in many fun art, math, writing and science activities. We will also play games related to the books. A great way to learn more about such a beloved author!

SF114 $140

Way Cool Cooking

ENTERING GRADES 3-5/ LIMITED TO 8

Kim Connors, Hardy Grade 2 Teacher

Have fun practicing cooking and learning basic kitchen skills. We will prepare meals -- breakfast, lunch, dinner and dessert -- then cook and serve them. Compile a cookbook of favorite recipes to share with families and make at home. Please be aware that we use a variety of foods including milk, eggs, flour, meats and spices. Come each day with a bottle of water and a container to take leftovers home.

SF116 $140

> "My daughter loved this this class!! She brought home so many projects to share with family and we have displayed them all."

Project Runway/ Sew Much Fun

ENTERING GRADES 3-5/ LIMITED TO 10

Mary Chavez, Lexington Public Schools After-Care Group Leader

Have fun learning basic sewing skills while developing patience and self-confidence by doing a hands-on craft. Besides receiving instruction in basic techniques, you will complete cool and useful handmade accessories including a drawstring tote, beanbag, stuffed animal, cell phone case, and sewing kit. Every project in this course is designed to introduce a new sewing technique. Add your personal touch to gifts, toys and accessories you make yourself! There's no end to the fabulous things you can create once you get your needle threaded! At the end of the week, we can use leftover fabric to make our own creative fashion designs, and then stage a fashion show a la Project Runway!

SF118 $140

Travels with Tintin

ENTERING GRADES 4-6/ LIMITED TO 10

Rebecca Bradley, Arlington High English Teacher & Byron Bradley

Enter the wonderful world of Tintin! Each day, we will read part of a TinTin story and study the place where his adventures take him. You will also choose a locale, research it, write, and illustrate your own Tintin-esque tale.

SF120 $140

Nature Photography

ENTERING GRADES 3-6/ LIMITED TO 8

Tori Mumma, Arlington High Teaching Assistant

Do you love being outdoors? Interested in photography? Come explore the great outdoors right here in Arlington and capture it all through photography. We will discover a new way of looking at and appreciating our hometown. At end of the week, you will bring home a collage made with your photographs. You must bring a digital camera and print 20-30 4x6-inch photos for our finished pieces. Bring a backpack, water, snack, and sunscreen and wear walking or hiking shoes.

SF122 $140

Filmmaking

ENTERING GRADES 3-5/ LIMITED TO 20

Freshi Media

Learn the process of making a movie while having fun and making new friends! We will form small production groups of 6 to 8 filmmakers per group. Each group begins by creating storyboards for their film. Using basic video cameras and editing software, you will produce the film, integrating simple special effects, sound effects and a musical score that is specific to the theme of your film. Learn camera angles, film etiquette and vocabulary, as well as how to use digital film tools so you can continue with digital storytelling after the class is over. Please bring a snack, as we will take a short, supervised break. You are encouraged to bring in props, costumes or toys for animation and a flash drive on the final day so you can load up your work and take it home to share with family and friends.

SF124 $185

Games Galore 2

ENTERING GRADES 3-5/ LIMITED TO 20

Andrew Scopa, Bishop School Physical Education Teacher

Come join the fun! We will enjoy playing active and challenging games geared toward students in grades 3-5. Team and individual activities will be offered throughout the week, providing lots of excitement. Activities and games will include: Capture the Flag, kickball, floor hockey, bowling, relay races, batting practice, golf and much more. You will learn new skills and develop existing ones.

SF126 $140

Summer Sleuth CSI

ENTERING GRADES 4-6/ LIMITED TO 10

Keith Miller, Excel Academy Teaching Fellow

Do you love solving mysteries? Get ready to be a detective and learn real forensic skills like fingerprinting, footprint analysis, ink chromatography, bite mark analysis and how to handle a real crime scene! Let the detective work begin!

SF128 $140

Video Game Design

ENTERING GRADES 6-9/ LIMITED TO 12

Terry Dash, 9 Dots Learning

Create your own online video games using Gamestar Mechanic. You'll learn about the process of creating games—designing, sharing, giving feedback and improving your game. You'll explore different types of games including platformers, adventures and action games, and you'll find inspiring examples made by other students in the Gamestar Mechanic online community.

SF130 $140

3D Clay & Sculpture

ENTERING GRADES 6-9/ LIMITED TO 10

Laura Root, Ottoson Digital Citizenship Teacher

We will learn the basics of working with clay to make trivets, mugs and assorted other pieces. These will be fired in the kiln then glazed and fired again. Experiment with texture, form and glazes! We will also work with other materials to create some 3D sculptures.

SF132 $140

> "Way Cool Cooking was a wonderful class. My daughter really enjoyed it and came home every day excited about what they had cooked. I have already recommended this class to others!"

Babysitting Basics

ENTERING GRADES 6-9/ LIMITED TO 15

4-H Youth & Family Development Staff

The excellent 4-H Babysitters' Program is designed to better prepare young people for babysitting and childcare by educating them to become capable, caring, responsible babysitters. Students will come to understand the responsibilities of babysitting and learn the skills needed to become good babysitters. You will develop confidence in handling situations you may encounter when babysitting. Upon completion of this course, you will receive a Babysitter's ID card and a certificate of completion. A $5 fee is payable to instructor at first class to pay for a member's guide. Please note this class runs from 10am-noon, Monday through Thursday ONLY; students must be 12 years old.

SF134 Monday-Thursday, July 8-14 10am-noon $80

Live Action Role Play (LARP): Heroes Academy

ENTERING GRADES 6–8/ LIMITED TO 20

Arlington Enrichment Collaborative Staff

FULL DAY/TWO-WEEKS: Seek treasure and uncover the secrets of the universe. Battle brutal bandits, gruesome goblins and unworldly undead and slay dragons. Find your way through the dungeon and claim the ancient treasure. Join this interactive theater world armed with sword and sorcery. Will you be a Hero or Villain? Find the Philosopher Stone and save the world or let the shadow of the great conjunction fall upon the land of Evenda forever! LARP is a combination of theater, martial arts and costume /prop/stage design combined with critical thinking and creative problem solving. Come see and participate in the finely crafted interdisciplinary experience of the LARP Adventure Program includes field trips to Georges Island and Menotomy Rocks Park.

SF136 July 8-19 9am-4pm $615

Week 1: July 8-12 1-4PM

Way Cool Cooking

ENTERING GRADES 1-3/ LIMITED TO 8

Kim Connors, Hardy Grade 2 Teacher

Have fun practicing cooking and learning basic kitchen skills. We will prepare meals -- breakfast, lunch, dinner and dessert -- then cook and serve them. Compile a cookbook of favorite recipes to share with families and make at home. Please be aware that we use a variety of foods including milk, eggs, flour, meats and spices. Come each day with a bottle of water and container to take leftovers home.

SF101 $140

The Four Seasons

ENTERING GRADES 1-3/ LIMITED TO 8

Natalie Tassone, Peirce School K-1 Teacher

We will learn about each of the four seasons, exploring one season per day. We'll read books and poetry, discuss the weather elements and do some light writing. Additionally, we will do all sorts of art and crafts activities, play seasonal games like baseball or (floor) hockey and even indulge in some seasonal treats!

SF103 $140

Animate Anything!

ENTERING GRADES 1-3/ LIMITED TO 20

Freshi Media

Come learn the basics of Stop-Motion Animation, bringing objects and backgrounds to life to create interesting and imaginative stories! We will work in small groups or production teams to complete a short animated film, which you create yourselves. Learning materials, software and cameras are provided. Basic concepts such as camera angles, storyboards, scripting elements and theme will be introduced. You are welcome to bring in objects to animate, although it is not necessary.

SF105 $185

Eric Carle Adventures

ENTERING GRADES 1-3/ LIMITED TO 12

Allison Manning, Peirce School Grade 2 Teacher

The "Very Hungry Caterpillar" will eat his way right into our hearts as we will spend a week exploring the works of Eric Carle. The author has a special way of making learning fun and exciting. We will experience a new Eric Carle book each day and create art projects based on the stories.

SF107 $140

Magic Tree House

ENTERING GRADES 1-3/ LIMITED TO 10

Erin Eldredge, Hardy Kindergarten Teacher

Embark on a journey with Jack and Annie in their Magic Tree House! Visit castles, see the pyramids in Egypt, meet some pirates in the Caribbean, and venture into Japan. We will learn fun facts about these places and times and make crafts to take home each day. We will read some of the stories and design our own tree houses. Please bring some recycled materials from home to our first class to use throughout the week.

SF109 $140

Jazzy Jewelry

ENTERING GRADES 1-3/ LIMITED TO 8

Jeanne Hinckley, Thompson Grade 2 Teacher

From pasta to paper, embroidery floss to Fimo, learn to turn simple elements into jewelry. We'll each make a jewelry box for our creations.

SF111 $140

Japanese Culture & Games

ENTERING GRADES 1–3/ LIMITED TO 10

Rebecca Bradley, Arlington High English Teacher, & Byron Bradley

Each day, we will learn something new about Japanese culture, read and draw Japanese cartoons (manga and anime), play a Japanese game, try a new Japanese food and learn basic Japanese language. Students will learn the basics of hiragana and katakana (two of the four Japanese alphabets), its characters and how to write their names in Japanese. Take home Japanese goodies, some of your own making.

SF113 $140

Mo Willems

ENTERING GRADES 1-3/ LIMITED TO 8

Rebecca Kapler, Peirce Grade 3 Teacher

Do you love the Pigeon who wants to drive the bus, Knuffle Bunny or Elephant and Piggie? I do, too! During our week together, we will read and work on projects based on the many wonderful books by Mo Willems. We'll make character masks, perform plays, write comics and stories based on the books and our favorite characters, and much more! Come join the fun.

SF115 $140

Nathan's Ninjas

ENTERING GRADES 3-5/ LIMITED TO 12

Nathan Porter, Rising Storm Training Academy

One of our most popular KidZone after-school programs comes to SummerFun! This dynamic class features fun games and teamwork. Come learn a mix of traditional Kempo Karate with elements of sport karate, tumbling and grappling. This class will give you a true self-defense perspective, all while you're having fun and building confidence. Activities include Martial Arts, Team Challenges, Kobudo (Martial Art weaponry) and a mini fun tournament at the end of the week.

SF117 $140

Web Design

ENTERING GRADES 3-6/ LIMITED TO 12

Terry Dash, 9 Dots Learning

Learn how to create great web pages that include pictures, sound and animation. You'll explore what's "under the hood" of websites, and think about ways to use colors, designs and words to make your pages "pop". At the end of the week, we'll post your website online and give you a copy to take home.

SF119 $140

> "Very well managed and fun for kids."

Project Runway

ENTERING GRADES 3-5/ LIMITED TO 10

Mary Chavez, Lexington Public Schools After-Care Group Leader

Have fun learning basic sewing skills while developing patience and self-confidence by doing a hands-on craft. Besides receiving instruction in basic techniques, you will complete cool and useful handmade accessories including a drawstring tote, beanbag, stuffed animal, cell phone case, and sewing kit. Every project in this course is designed to introduce a new sewing technique. Add your personal touch to gifts, toys and accessories you make yourself! There's no end to the fabulous things you can create once you get your needle threaded! At the end of the week, we can use leftover fabric to make our own creative fashion designs, and then stage a fashion show a la Project Runway!

SF121 $140

Paper Mache Madness

ENTERING GRADES 3-5/ LIMITED TO 12

Elizabeth Wiley-Burkwit, Newton Public Schools Team Teacher

Let's get messy! Using newspaper and some good old flour and water, we will explore our creative side. Have you ever seen a snuck? It has a the head of a snake and the body of a duck. Fantasy animals like this are just one of the fun projects we'll create together. We'll also make exotic masks using recycled materials and embellishments. And our most exciting project of all—the class piñata we will break open on Friday during our piñata party!

SF123 $140

Games Galore 2

ENTERING GRADES 3-5/ LIMITED TO 20

Andrew Scopa, Bishop School Physical Education Teacher

Come join the fun! We will enjoy playing active and challenging games geared toward students in grades 3-5. Team and individual activities will be offered throughout the week, providing lots of excitement. Activities and games will include: Capture the Flag, kickball, floor hockey, bowling, relay races, batting practice, golf and much more. You will learn new skills and develop existing ones.

SF125 $140

Wacky Science I

ENTERING GRADES 3-5/ LIMITED TO 12

Melissa Gridley, Chelmsford Public School Teacher

Calling all scientists! Interested in how things work? Like to get your hands dirty? Come explore the wacky world of science, featuring new experiments and some of the old favorites! In this class, you will learn to use your observation, exploration and critical thinking skills to explore the world around you. Why can boats weigh so much but still stay afloat? Can you build the strongest or fastest boat? What makes a volcano explode? Can you fit a tornado inside a water bottle? Can you grow a seed without dirt? Is there really such thing as slime? If you enjoy problem solving, love science, and don't mind getting a little dirty, sticky, or gooey, come explore with us in Wacky Science.

SF127 $140

Chasing Big Foot

ENTERING GRADES 6-9/ LIMITED TO 8

Tori Mumma, Arlington High Teaching Assistant

Does the Abominable Snowman exist? What is a Jersey Devil? Does the Loch Ness Monster have a cousin living in New England? Decide for yourself. We will question the existence—or non-existence—of legendary creatures through folklore, videos, photos, friendly discussions and investigations. At the end of each day, you will go home with a poster that you create with your findings. Believers or not, all are welcome.

SF129 $140

Summer CSI

ENTERING GRADES 6-9/ LIMITED TO 10

Keith Miller, Excel Academy Teaching Fellow

Do you love solving mysteries? Get ready to be a detective and learn real forensic skills like fingerprinting, footprint analysis, ink chromatography, bite mark analysis and how to handle a real crime scene! Let the detective work begin!

SF131 $140

Week 2: July 15-19 9am-noon

NOTE: Students staying for afternoon class on same day attend supervised parent-provided lunch and free-play from noon-1pm, and are then escorted to their afternoon class.

Wacky Science II

ENTERING GRADES 1-3/ LIMITED TO 12

Melissa Gridley, Chelmsford Public Schools Teacher

Calling all scientists! Interested in how things work? Like to get your hands dirty? Come explore the wacky world of science, featuring new experiments and some of the old favorites! In this class, you will learn to use your observation, exploration and critical thinking skills to explore the world around you. Why can boats weigh so much but still stay afloat? Can you build the strongest or fastest boat? What makes a volcano explode? Can you fit a tornado inside a water bottle? Can you grow a seed without dirt? Is there really such thing as slime? SF200 $140

Explore the Five Senses

ENTERING GRADES 1–2/ LIMITED TO 15

Alessandra Magalhaes, Stratton Grade 1 Teacher

Imagine you are a fun-loving first or second grader enjoying your favorite kind of day. This is what your child will experience as we explore our FIVE SENSES! We play games, dance, and cook, build instruments, exercise, make books and more. Each day focuses on one of the five senses. We will also sneak in some reading, phonics and math skill building, but your children will be having too much fun to notice!

SF202 $140

Fun with Fables

ENTERING GRADES 1-3/ LIMITED TO 12

Emily Brambilla, Hardy Grade 1 Teacher

Do you like stories with animal characters? How about arts and crafts? Come join the fun as each day we read stories featuring friendly, furry characters and beautiful illustrations. Then we'll work on craft projects that go along with our stories.

SF204 $140

Games Galore

ENTERING GRADES 1-3/ LIMITED TO 20

Andrew Scopa, Bishop School Physical Education Teacher

Come join the fun! We will enjoy playing active and challenging games geared toward students in grades 1-3. Team and individual activities will be offered throughout the week, providing lots of excitement. Activities and games will include: Capture the Flag, kickball, floor hockey, bowling, relay races, batting practice, golf and much more. You will learn new skills and develop existing ones.

SF206 $140

Crafty Kids

ENTERING GRADES 1-3/ LIMITED TO 10

Jennifer Pierce, Hardy School Grade 1 Teacher

Are you a crafty kid? Do you love to color, cut, glue and create? Each day will have focus on a different theme and create crafts that go along with our theme. We will also spend a day learning about and making a scrapbook. This class gets messy, so please dress accordingly!

SF208 $140

On the Hunt for Nature

ENTERING GRADES 1-3/ LIMITED TO 15

Massachusetts Audubon Habitat Staff

Scavenger hunts, animal visitors, outside treks and more! For those who like animals and who like to look for clues and wonder about things you find outside! Join educators from Mass Audubon's Habitat and see nature up-close. We will go on scavenger hunts and look for life in the schoolyard and nearby outdoor areas.

SF210 $150

Knights & Castles

ENTERING GRADES 1-3/ LIMITED TO 8

Sharon McLaughlin, Bishop Kindergarten Teacher

Hear Ye! Hear Ye! Attention lords and ladies Come spend a week on castle time. Activities will include making a coat of arms, a creative castle, maps and more. We will listen to stories and poems. It will be a magical medieval experience.

SF214 $140

Bash 'Em Bots with LEGO

GRADES 3-5/ LIMITED TO 24

Play-Well TeKnologies

Our Play-Well Engineering instructors guide students in this advanced Play-Well engineering camp, as they re-engineer standard vehicles into mechanized machines that can traverse challenging obstacles, battle against fellow bots, and take on Play-Well instructors' colossal creations. Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as arch bridges, skyscrapers, motorized cars, and the Battletrack! Instruction will be provided by staff, but familiarity with LEGO Technic is desirable.

SF212 $150

Let's Go Fly a Kite!

ENTERING GRADES 3-5/ LIMITED TO 12

Celine Browning, Artist

In this class, we will explore the art and craft of kite making, taking our cues from kites around the world. We will design and fabricate our own kites. On the last day, we will fly them together.

SF216 $140

Volcanoes, Lava, Eruptions!

ENTERING GRADES 4-6/ LIMITED TO 10

Keith Miller, Excel Academy Teaching Fellow

Learn all about the most powerful force on the planet: volcanoes! In this exciting course we will learn how volcanic eruptions can send ash more than 17 miles into the atmosphere, how the eruption of Mt. St. Helens shocked America and all about the Pacific Ring of Fire.

SF232 $140

Fun with Felt

ENTERING GRADES 3-5/ LIMITED TO 10

Deborah Campagna, Stratton/Thompson/Hardy Art Teacher

Felt is an ancient and versatile fabric that is easy to work with and to create. Through daily projects we will explore its many possibilities! We will use wool and soapy water to create handmade felt, and use pre-made felt for our projects. We will create 2D and 3D projects including jewelry, pencil cases and even toys!!

SF218 $140

Creative Writing

ENTERING GRADES 3-5/ LIMITED TO 12

Victoria Thompson, Landmark Middle School Grades 3-4 Teacher

This creative writing workshop uses journaling to delve into your inner writer through activities, peer editing, creative techniques and different forms of expression. You will leave with a good sense of the writing process and the importance of journaling to grow not only as a writer, but also as a young adult.

SF220 $140

Once Upon a Time

ENTERING GRADES 3-5/ LIMITED TO 8

Mary Chavez, Lexington Public Schools After-Care Group Leader

Pencils ready, story writers! What else might the frog have turned into when the princess kissed him? What if the last little pig had made his house out of chocolate pudding instead of bricks? Join in, laugh and learn as we turn traditional tales into our very own! Improve your writing skills one line at a time, and even illustrate your story on a moving picture reel! The fun never stops with a week full of bookmaking, mad-libs, and tall tales!

SF222 $140

Jewelry Extravaganza

ENTERING GRADES 3-5/ LIMITED TO 10

Elizabeth Wiley-Burkwit, Newton Public Schools Team Teacher

Back by popular demand! Create heirloom jewels for you and your friends! Using colorful beads, polymer clay, resin and paper, we will make beautiful necklaces, earrings, bracelets, anklets, pins and rings. We'll even create a jewelry box for our precious creations.

SF224 $140

Adventure Day Trippers

ENTERING GRADES 7-9/ LIMITED TO 12

Tom Zierk, Ottoson Grade 7 Teacher

FULL-DAY: If you're in the mood for adventure, travel by van with Mr. Zierk to a different destination each day and explore some of the most interesting and exciting places within an easy drive of Arlington. Planned destinations include sea kayaking in Rockport and hiking Mt. Monadnock in New Hampshire. We will even try surfing and boogie boarding at Hampton Beach if the surf is up! This is a very active program for students who enjoy moderately strenuous days. Bring lunch, snacks and plenty of water each day. Tuition includes van transportation, all admission and rental fees.

SF226 July 15-19 9am-4pm $350

Glee!

ENTERING GRADES 6-8/ LIMITED TO 15

Jenna Havelin, Dallin/Stratton/Thompson Music Teacher

How about a weeklong adventure in vocal performance, choreography and acting. Based on the hit TV show Glee, this is your chance to join a chorus for kids who love to sing. We will put together a pop song from the show, choreograph it and perform it on Friday with costumes. If you can carry a tune and love to have fun, come join us.

SF228 $140

> "SummerFun! has been a great experience."

Calling All Food Network Fans!

ENTERING GRADES 6–8/ LIMITED TO 15

Heather Hodsdon, Brookline Public Schools Teacher

Maximum of 15 students. Learn the skills used by famous food network chefs. Throughout the week, we will practice and perfect different techniques to make breakfast, lunch, dinner, desserts and snacks. We will learn about kitchen safety and sanitation, how to read and implement recipes and substitute healthier ingredients in our favorite recipes. Our week begins with a trip to a local market where we learn to budget and choose the best ingredients.

SF230 $140

Week 2: July 15-19 1-4pm

The Art of Math

ENTERING GRADES 1-3/ LIMITED TO 10

Allie Marsh, Thompson Kindergarten Teacher

Math is more than just numbers! We will explore math concepts such as geometry, patterns, and symmetry through a variety of 2D and 3D art projects. We will spend the week building and creating mathematical masterpieces while strengthening our understanding of these topics. Come see how fun it can be to combine math and art!

SF201 $140

Wacky Weather

ENTERING GRADES 1-3/ LIMITED TO 10

Allison Manning, Peirce School Grade 2 Teacher

What's the weather today? Let's become meteorologists for the week as we explore the fascinating world of weather. We will learn about what makes weather wet, dry, wild, calm, hot and cold. We will engage in exciting science experiments and art projects focused on different weather types. Let's soak up the sun!

SF203 $140

Keep Cool: All About Penguins

ENTERING GRADES 1-3/ LIMITED TO 12

Emily Brambilla, Hardy Grade 1 Teacher

Beat the heat by spending a week learning about the cool world of penguins! Through hands-on activities, crafts and video clips, we'll explore different types of penguins each day. We'll learn all about where and how they live, while creating fun projects!

SF205 $140

Jedi Engineering

ENTERING GRADES 1-3/ LIMITED TO 24

Play-Well TeKnologies

Young Jedi will explore worlds far, far away and engineering principles right in front of them. Defeat the Empire by designing and refining X-Wings, R2-units,and settlements on far-flung edges of the galaxy. Imagination and engineering combine to create motorized an architectural projects such as energy catapults, shield generators and defense turrets.

SF207 $150

Games Galore

ENTERING GRADES 1-3/ LIMITED TO 20

Andrew Scopa, Bishop School Physical Education Teacher

Come join the fun! We will enjoy playing active and challenging games geared toward students in grades 1-3. Team and individual activities will be offered throughout the week, providing lots of excitement. Activities and games will include: Capture the Flag, kickball, floor hockey, bowling, relay races, batting practice, golf and much more. You will learn new skills and develop existing ones.

SF211 $140

Creative Writing

ENTERING GRADES 3-5/ LIMITED TO 12

Victoria Thompson, Landmark Middle School Grades 3-4 Teacher

This creative writing workshop uses journaling to delve into your inner writer through activities, peer editing, creative techniques and different forms of expression. You will leave with a good sense of the writing process and the importance of journaling to grow not only as a writer, but also as a young adult.

SF209 $140

Fun with Felt

ENTERING GRADES 3-5/ LIMITED TO 10

Deborah Campagna, Stratton/Thompson/Hardy Art Teacher

Felt is an ancient and versatile fabric that is easy to work with and to create. Through daily projects we will explore its many possibilities! We will use wool and soapy water to create handmade felt, and use pre-made felt for our projects. We will create 2D and 3D projects including jewelry, pencil cases and even toys!!

SF215 $140

It's Revolutionary!

ENTERING GRADES 3-5/ LIMITED TO 10

Crystal Power, Peirce Grade 3 Teacher

An up-close and in-depth look at some of the factors leading up to the Revolutionary War and its major battles and key figures. We'll explore historical documents, hands-on simulations and experiments, as well as literature related to the War (both historical fiction and non-fiction) to discover some amazing facts about the birth of our nation!

SF217 $140

Writing Animal Stories

ENTERING GRADES 3-5/ LIMITED TO 10

Rebecca Kapler, Peirce Grade 3 Teacher

Like animals? Like to write? Then come on over to our animal stories writing workshop! We welcome all types of animal stories, from informational texts about turtles to fantasy stories about unicorns living in far off lands, and anything in between. You can write your story in different ways: Write a chapter book, or poetry, or comics! Add illustrations! The class will be tailored to match your interests. We will work through the writing process, including brainstorming ideas, organizing our thoughts, revising, and editing for punctuation and spelling. All you need to bring with you is a joy of writing!

SF 237 $140

The Wonders of Space!

ENTERING GRADES 4-6/ LIMITED TO 10

Keith Miller, Excel Academy Teaching Fellow

An asteroid impact caused the extinction of the dinosaurs 65 million years ago; could it happen again?! We'll explore questions like this throughout our inquisitive week. We will learn about black holes, asteroids, how our sun works and other amazing facts. Prepare to have your mind blown by how huge space really is!

SF219 $140

Puppetpalooza Playhouse

ENTERING GRADES 3-5/ LIMITED TO 12

Mary Chavez, Lexington Public Schools After-Care Group Leader

Get ready for a hands-on workshop where you'll learn to create a pile of playful puppets and spectacular staging. Pick your favorites for a Puppetpalooza Show at the end of the week! Have a blast using hands-on creativity and gain self-confidence when your personality comes to life through your puppet! From marionettes to finger families, from sock puppets to shadow puppets, the possibilities are endless when you use your imagination!

SF221 $140

Let's Go Fly a Kite!

ENTERING GRADES 3-6/ LIMITED TO 12

Celine Browning, Artist

In this class, we will explore the art and craft of kite making, taking our cues from kites around the world. Students will design and fabricate their own kites, and on the last day, we will fly them together.

SF231 $140

Wacky Science II

ENTERING GRADES 3-5/ LIMITED TO 12

Melissa Gridley, Chelmsford Public Schools Teacher

Calling all scientists! Interested in how things work? Like to get your hands dirty? Come explore the wacky world of science, featuring new experiments and some of the old favorites! In this class, you will learn to use your observation, exploration and critical thinking skills to explore the world around you. Why can boats weigh so much but still stay afloat? Can you build the strongest or fastest boat? What makes a volcano explode? Can you fit a tornado inside a water bottle? Can you grow a seed without dirt? Is there really such thing as slime? If you enjoy problem solving, love science, and don't mind getting a little dirty, sticky, or gooey, come explore with us in Wacky Science.

SF223 $140

Jewelry Extravaganza

ENTERING GRADES 6-9/ LIMITED TO 10

Elizabeth Wiley-Burkwit, Newton Public Schools Team Teacher

Back by popular demand! Create heirloom jewels for you and your friends! Using colorful beads, polymer clay, resin and paper, we will make beautiful necklaces, earrings, bracelets, anklets, pins and rings. We'll even create a jewelry box for our precious creations.

SF225 $140

Extra! Extra!: Print Journalism in Action

ENTERING GRADES 6-9/ LIMITED TO 15

Heather-Marie Larsen, Ottoson ELA Student Teacher

Join the SummerFun newspaper staff and explore what it means to be a journalist. We'll work with headlines, investigate, write, edit and publish our own articles to understand the power of print media.

SF227 $140

What's New, Cupcake?

ENTERING GRADES 6-9/ LIMITED TO 15

Randi Flynn, Ottoson Special Education Teacher, & Jenna Fernandes, Ottoson Grade 6 English Teacher

In this fun course, we will make different kinds of fun cupcakes each day, sample the cupcakes, decorate them and choose our favorites. You can bring favorite recipes from home that we can make and share with the class. We'll feature our five favorite recipes of the week to create a recipe book to take home. This course uses products that contain nuts.

SF229 $140

Week 3: July 22-26 9am-noon

NOTE: Students staying for afternoon class on same day attend supervised parent-provided lunch and free-play from noon-1pm, and are then escorted to their afternoon class.

Games Galore

ENTERING GRADES 1-3/ LIMITED TO 20

Andrew Scopa, Bishop School Physical Education Teacher

Come join the fun! We will enjoy playing active and challenging games geared toward students in grades 1-3. Team and individual activities will be offered throughout the week, providing lots of excitement. Activities and games will include: Capture the Flag, kickball, floor hockey, bowling, relay races, batting practice, golf and much more. You will learn new skills and develop existing ones.

SF300 $140

Explore the Five Senses

ENTERING GRADES 1–2/ LIMITED TO 15

Alessandra Magalhaes, Stratton Grade 1 Teacher

Imagine you are a fun-loving first or second grader enjoying your favorite kind of day. This is what your child will experience as we explore our FIVE SENSES! We play games, dance, and cook, build instruments, exercise, make books and more. Each day focuses on one of the five senses. We will also sneak in some reading, phonics and math skill building, but your children will be having too much fun to notice!

SF302 $140

Recycled Art

ENTERING GRADES 1-3/ LIMITED TO 12

Leng Diamond, Weston Public Schools Special Education Teacher

We will breathe new life into discarded recyclables by transforming them into new artwork, turning trash into treasure! Children are especially imaginative in their approach to using second-hand materials; the creativity shown in the things they come up with is amazing! Enjoy a fun week of being "green" and creative!

SF304 $140

Poetry & Painting

ENTERING GRADES 1-3/ LIMITED TO 10

Nicole Melnick, Thompson K-1 Teacher

Ideal for those who enjoy reading and writing poetry and painting. We will listen to poems and conjure up images the poets are writing about. You will write your own poem and paint a beautiful picture to go along with your writing. Some days we will even make our own paint! We will end each day with a "poetry jam!" where everyone shares their poems and artwork.

SF306 $140

American Girl Doll 'Romp & Circumstance'

ENTERING GRADES 1–3/ LIMITED TO 10

Anne Hess Mahan, Bishop Grade 5 Teacher

Maximum of 12 students. We will spend this week sharing our American Girl Doll friends and exploring friendships. Bring your special friend as we dress-up and play-act with our dolls, acting out both modern-day and historic scenes. Create a book and a matching accessory to take home. The fun will be non-stop. We'll end the week with a birthday party for our very special dolls. Bring a snack and your doll each day.

SF308 $140

Amazing World Habitats

ENTERING GRADES 1–3/ LIMITED TO 12

Jeanne Hinkley, Thompson Grade 2 Teacher

Explore habitats of the world including the Arctic, tropical rainforest, desert, savanna, and the ocean (coral reef). Learn about the characteristics of each habitat and how it differs from the habitat we live in. Learn, too, about the different animals that live in these amazing habitats. Pick a habitat to create and share on the last day.

SF310 $140

Scaredy Squirrel

ENTERING GRADES 1–3/ LIMITED TO 10

Crystal Power, Peirce Grade 3 Teacher

Come spend a week with a favorite picture book friend - Scaredy Squirrel. Each day we'll read a new Scaredy Squirrel book and participate in projects related to our story of the day. As we read the stories, we'll look at the author's formula for her stories, and create our own version of Scaredy Squirrel!

SF312 $140

Crafty Kids

ENTERING GRADES 1-3/ LIMITED TO 10

Jennifer Pierce, Hardy Grade 1 Teacher

Are you a crafty kid? Do you love to color, cut, glue and create? Each day will have focus on a different theme and create crafts that go along with our theme. We will also spend a day learning about and making a scrapbook. This class gets messy, so please dress accordingly!

SF336 $140

LEGO® Engineering FUNdamentals

ENTERING GRADES 3-5/ LIMITED TO 24

Play-Well TeKnologies

Power up your engineering skills with Play-Well TEKnologies and over 100,000 pieces of LEGO®! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as arch bridges, skyscrapers, motorized cars, and the Battletrack! Design and build as never before, and explore your craziest ideas in a supportive environment. An experienced instructor will challenge students to engineer at the next level.

SF314 $150

Scientific Art

ENTERING GRADES 3-5/ LIMITED TO 12

Erica Dusombre, Hardy Kindergarten Teacher

Participate in art projects coupled with scientific experiments. Projects include mixing and measuring substances to make clays and paints, experiments with color and painting with different types of force.

SF316 $140

Harry Potter Week

ENTERING GRADES 3-5/ LIMITED TO 12

Alyssa Frank, Bishop Grade 5 Teacher

Spend a week having fun with your favorite teenage wizard. We'll make wands, test our trivia knowledge, play Muggles and Quidditch, practice spells and care for magical creatures. All the time you'll be earning points for your Hogwarts House!!

SF318 $140

Broadway Presents...

ENTERING GRADES 3-5/ LIMITED TO 15

Jenna Havelin, Dallin/Stratton/Thompson Music Teacher

Come learn about American musical theater and perform a song selected from a popular Broadway musical. Throughout the week, we will learn vocal technique, choreography, blocking and improvisation. Express yourself through the magic of musical theater. We'll stage a performance at the end of the week for family and friends.

SF320 $140

Native American Crafts

ENTERING GRADES 3-5/ LIMITED TO 12

Mary Chavez, Lexington Public Schools After-Care Group Leader

Learn the great diversity and richness of the First Nations of the Americas. Each of our projects conveys a tradition and a living history. Make a talking feather, lace together a medicine pouch, and stitch up a pair of moccasins! Learn the difference between a wigwam, teepee, longhouse and lodge, and create your own miniature dwelling. Honor and remember the Native American peoples through beautiful, handmade crafts!

SF322 $140

Jewelry Extravaganza

ENTERING GRADES 3-5/ LIMITED TO 10

Elizabeth Wiley-Burkwit, Newton Public Schools Team Teacher

Back by popular demand! Create heirloom jewels for you and your friends! Using colorful beads, polymer clay, resin and paper, students will make beautiful necklaces, earrings, bracelets, anklets, pins and rings. We'll even create a jewelry box for our precious creations.

SF324 $140

Photoshop for Beginners & Beyond

ENTERING GRADES 6-9/ LIMITED TO 8

Laura Root, Ottoson Digital Citizenship Teacher

Photoshop is a powerful and exciting tool now used for everything from photos to feature films. Discover how easy it is to learn and use. We'll cover the basics, including how to edit digital images, crop and fix your photos, create artwork from scratch, create web graphics and more! More advanced students can refine their skills. Please bring your own Flash Drive/USB stick.

SF326 $140

Calling All Food Network Fans!

ENTERING GRADES 6–8/ LIMITED TO 15

Heather Hodsdon, Brookline Public Schools Teacher

Maximum of 15 students. Learn the skills used by famous food network chefs. Throughout the week, we will practice and perfect different techniques to make breakfast, lunch, dinner, desserts and snacks. We will learn about kitchen safety and sanitation, how to read and implement recipes and substitute healthier ingredients in our favorite recipes. Our week begins with a trip to a local market where we learn to budget and choose the best ingredients.

SF328 $140

Camping in Vermont

ENTERING GRADES 7–9/ LIMITED TO 10

Tom Zierk, Ottoson Grade 7 English Teacher

OVERNIGHT: New England has some amazing and exciting camping areas, and Jamaica State Park on Vermont's West River has to be one of the best. We will spend the first day at Ottoson Middle School going over camping fundamentals and participating in group activities. On Tuesday (rain or shine), we will drive to Jamaica by van, and we will return Friday afternoon. At the campground, we will float on and swim in the river, hike to Hamilton Falls and explore a hidden ravine with deep pools. At night, we'll share ghost stories and roast marshmallows around the campfire. Time and weather permitting, we will hike Mt. Monadnock in New Hampshire on our trip home. No previous camping experience is necessary; for those who have a sense of adventure and enjoy being very active. Tuition includes all food and transportation. Families will receive a complete packing list and be asked to attend a pre-trip meeting. Questions? Contact Mr. Zierk at tzierk@arlington.k12.ma.us.

SF330 Overnight $500

> "Mr. Zierk manages to have all the kids get along well and not break into cliques. They did lots of really fun things; the highlight was learning to surf! And a nice group of kids."

Live Action Role Play (LARP): Heroes Academy

ENTERING GRADES 6–8/ LIMITED TO 20

Arlington Enrichment Collaborative Staff

FULL DAY/TWO-WEEKS: Seek treasure and uncover the secrets of the universe. Battle brutal bandits, gruesome goblins, and unworldly undead, and slay dragons. Find your way through the dungeon and claim the ancient treasure. Join this interactive theater world armed with sword and sorcery. Will you be a Hero or Villain? Find the Philosopher Stone and save the world or let the shadow of the great conjunction fall upon the land of Evenda forever! LARP is a combination of theater, martial arts and costume /prop/stage design combined with critical thinking and creative problem solving. Come see and participate in the finely crafted interdisciplinary experience of the LARP Adventure Program includes field trips to Georges Island and Menotomy Rocks Park.

SF332 July 22-August 2 9am-4pm $615

Math Summer Bridge

ENTERING GRADE 6/ / LIMITED TO 10

John Minogue, Ottoson Grade 7 Math Teacher

TWO WEEKS: Help your child maintain their math skills over the summer with a brief review of 5th grade math and an introduction to 6th grade math. This two-week course is for incoming 6th graders who want supplemental math coaching. The course reinforces previously learned math concepts and challenges students to explore new curriculum through individual and small group activities. This is a great way for kids to review what they have learned the previous school year and get a jump start on next year's math topics. Activities will be based on content areas from 5th and 6th grade curricula. Meets at Ottoson Middle School. Contact jminogue@arlington.k12.ma.us with questions.

SF334 July 22-August 2 9am-noon $280

Week 3: July 22-26 1-4pm

LEGO Pre-Engineering

ENTERING GRADES 1-3/ LIMITED TO 24

Play-Well TeKnologies

Let your imagination run wild with over 100,000 pieces of LEGO®! Build engineer-designed projects such as boats, bridges, mazes and motorized cars, and use special pieces to create your own unique design! Explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor.

SF301 $150

Poetry & Painting

ENTERING GRADES 1-3/ LIMITED TO 10

Nicole Melnick, Thompson K-1 Teacher

Ideal for those who enjoy reading and writing poetry and painting. We will listen to poems and conjure up images the poets are writing about. You will write your own poem and paint a beautiful picture to go along with your writing. Some days we will even make our own paint! We will end each day with a "poetry jam!" where everyone shares their poems and artwork.

SF323 $140

Jazzy Jewelry

ENTERING GRADES 1-3/ LIMITED TO 8

Jeanne Hinckley, Thompson School Grade 2 Teacher

From pasta to paper, embroidery floss to Fimo, learn to turn simple elements into jewelry. We'll each make a jewelry box for our creations.

SF303 $140

Cake Pops

ENTERING GRADES1-3/ LIMITED TO 10

Melissa Gridley, Chelmsford Public School Teacher

What could be better or more delicious than cake on a stick? We'll make adorable creatures out of cake and try our hand at favorite sports equipment: a football, baseball, maybe a soccer ball. If you have a creative flare, enjoy cooking and want to explore the world of cake pops and fun decorative treats, welcome to Cake Pops!

SF327 $140

Scientific Art

ENTERING GRADES 1–3/ LIMITED TO 12

Erica Dusombre, Hardy Kindergarten Teacher

SF400 $140

Explore the Rainforest

ENTERING GRADES 1-3/ LIMITED TO 8

Natalie Tassone, Peirce School K-1 Teacher

Spend a week in the rainforest. Each day we will focus on different aspects of the rainforest. We will explore the animals, insects and reptiles that live there, study the weather and climate and learn about exotic plants. We will read stories and poems, do arts and crafts projects, and take a virtual trip to the rainforest!

SF430 $140

The Wonderful World of Dr. Seuss

ENTERING GRADES 1-3/ LIMITED TO 12

Allison Manning, Peirce School Grade 2 Teacher

Explore the wonderful and wacky world of Dr. Seuss. We will read several of his hilarious and exciting books and engage in many fun art, math, writing and science activities. We will also play games related to the books. A great way to learn more about such a beloved author!

SF428 $140

Breathe In, Breathe Out

ENTERING GRADES 1-3/ LIMITED TO 8

Meredith Healey, Peirce Grade 3 Special Education Teacher

Come relax, stretch and meditate. Learn the different names of yoga poses, basic asanas, everyday routines and the best way to meditate. Please bring a yoga mat and wear comfortable clothes. Namaste.

SF402 $140

Author a Day!

ENTERING GRADES 1–2/ LIMITED TO 8

Colleen Flynn, Peirce Kindergarten Teacher

Do you love to read? Each day we will focus on a different favorite author: Eric Carle, Dr. Seuss, Laura Numeroff, Frank Asch and Esphyr Slobodkina, the author of Caps for Sale. We will explore at least one new children's book, sometimes more, per day and do all sorts of book-related activities including art, games, writing, and even a little cooking!

SF404 $140

Scientific Art

ENTERING GRADES 1–3/ LIMITED TO 12

Erica Dusombre, Hardy Kindergarten Teacher

Participate in art projects coupled with scientific experiments. Projects include mixing and measuring substances to make clays and paints, experiments with color and painting with different types of force.

SF406 $140

Origami

ENTERING GRADES 3-5/ LIMITED TO 12

Andy Chen, ESL teacher, ACCESS program

Learn the Japanese art of paper folding as we read stories that match up with our daily projects. We'll make animals and dinosaurs, work alone and in groups, and maybe even work together on one large origami project.

SF408 $140

The Crafty Classroom

ENTERING GRADES 3–5/ LIMITED TO 8

Christine Capaldo, Bishop Grade 4 Teacher

Nothing is more exciting than being able to create something with your own two hands. Each class will focus on a different project -- eye-catching jewelry, useful tools, yummy food creations, thoughtful gifts and puzzling games. Go home each day with two or three completed projects and directions on how to create more at home!

SF410 $140

Knit 1, Purl 2

ENTERING GRADES 3-5/ LIMITED TO 8

Ellen McDonough, Bishop Teaching Assistant

Learn all the basics needed for starting and finishing beautiful, hand-knit projects. We will start with a washcloth and move on from there. Learn a skill you can enjoy for a lifetime.

SF412 $140

Creative Calligraphy

ENTERING GRADES 3-5/ LIMITED TO 10

Anne Hess Mahan, Bishop Grade 5 Teacher

Would you like to write in cursive? We will take a step-by-step approach to learn the loops and curves of cursive handwriting. Then we will practice by copying funny or favorite texts. The rest of our time we will explore the art of calligraphy. The strokes are patiently crafted using fountain calligraphy pens. We will create copies of our favorite poems to take home and frame. Please bring a snack each day.

SF414 $140

Fun with FIMO

ENTERING GRADES 3-5/ LIMITED TO 12

Ben Diamond, Artist

Do you like the tactile feel of working with clay and creating 3D art? Do you enjoy working with your hands and creating sculptures? How about jewelry and figurines? Returning for our second summer after great fun last year, Fun with Fimo is a place to explore new artistic and creative territory. We will work around a different theme each day, creating animals, flowers, beads, people and more -- there are endless possibilities!

SF416 $140

Games Galore 2

ENTERING GRADES 3-5/ LIMITED TO 20

Andrew Scopa, Bishop School Physical Education Teacher

Come join the fun! We will enjoy playing active and challenging games geared toward students in grades 3-5. Team and individual activities will be offered throughout the week, providing lots of excitement. Activities and games will include: Capture the Flag, kickball, floor hockey, bowling, relay races, batting practice, golf and much more. You will learn new skills and develop existing ones.

SF418 $140

SummerFun Strings

ENTERING GRADE 4/ LIMITED TO 20

Jing-Huey Wei, Ottoson Performing Arts/ Orchestra Teacher

For students who have participated in the APS String Program during the school year or who have had at least 10 string lessons, SummerFun Strings is an excellent opportunity for you to continue playing your string instrument and to have a positive musical experience during the summer months. Together, we will learn new techniques and perform fun music from a varied repertoire. Our week will culminate in a concert open to friends and family on Friday.

SF420 $140

Shark Week

ENTERING GRADES 4-6/ LIMITED TO 10

Keith Miller, Excel Academy Teaching Fellow

Did you know there are more than 350 different kinds of sharks, or that sharks can smell one drop of blood in a million drops of water? Come learn all about the different species of sharks, including the sharks spotted off Cape Cod! In this exciting course, we'll learn what makes sharks such amazing predators, such as their incredible skin, streamlined bodies and remarkable sense of smell.

SF422 $140

Think You Know Boston?

ENTERING GRADES 7 & 8/ LIMITED TO 8

Andrew Garrity, Ottoson Social Studies Teacher

FULL-DAY: Pack a lunch, throw on your backpack, lace up your walking shoes, and slap on some sunscreen because we are going to improve your Boston IQ. Excursions are certain to be fun and educational, providing opportunities to develop new friendships and visit new places. Travel by MBTA to many of the city's most popular sights: Museum of Fine Arts, Christian Science Center, the Mapparium, Freedom Trail. Tired yet? We'll also visit Boston Common, the Museum of Science, USS Constitution, Georges Island, N.E. Aquarium and Faneuil Hall. Join us for a week of non-stop fun. For kids who enjoy being physically active. Bring lunch, snacks and plenty of water each day. After registering, please mail an additional check for $80 made payable to A. Garrity to him at Ottoson Middle School, 63 Acton St., Arlington 02476 to cover all admission fees and transportation.

SF424 $200

Duct Tape Fun

ENTERING GRADES 6-9/ LIMITED TO 12

Leng Diamond, Weston Public Schools Special Education Teacher

This is an arts and crafts class where the primary material is duct tape. Come explore the endless creative possibilities that duct tape provides, from flip-flops and wallets to jewelry. We'll have a blast using our imaginations to come up with new ways of using a familiar material.

SF426 $140

Television Workshop

ENTERING GRADES 7-9/ LIMITED TO 12

Arlington Community Media

FULL DAY: Experience live studio television production at the Arlington Community Media (ACMi) production facility. The action begins with hands-on camcorder projects, including video scavenger hunts and field reporting. Then it moves into the studio for a multi-camera workshop teaching in-studio formats for news and talk show production. Learn to develop original scripts and to use the video effects magic of the greenscreen. Finally, you will use your new skills to produce a live game show. Students must bring their own lunch and snacks. The course is open to those who have not previously participated in middle-school production groups. Meet daily at the ACMI studio, 85 Park Avenue, Arlington Heights (one block uphill from Mass. Ave. at Paul Revere Road).

SF438 10am-3pm $180

Week 4: July 29-August 2 1-4pm

Origami

ENTERING GRADES 1-3/ LIMITED TO 12

Andy Chen, ESL teacher, ACCESS program

Learn the Japanese art of paper folding as we read stories that match up with our daily projects. We'll make animals and dinosaurs, work alone and in groups, and maybe even work together on one large origami project.

SF401 $140

Games Galore

ENTERING GRADES 1-3/ LIMITED TO 20

Andrew Scopa, Bishop School Physical Education Teacher

Come join the fun! We will enjoy playing active and challenging games geared toward students in grades 1-3. Team and individual activities will be offered throughout the week, providing lots of excitement. Activities and games will include: Capture the Flag, kickball, floor hockey, bowling, relay races, batting practice, golf and much more. You will learn new skills and develop existing ones.

SF403 $140

Passport to Our National Parks

ENTERING GRADES 1–3/ LIMITED TO 12

Erica Dusombre, Hardy Kindergarten Teacher

We'll travel the country as we learn about our great national parks. Each day we will explore a different park through presentation and hands-on projects including dioramas, science experiments and art projects. You will explore stalactites and stalagmites while learning about Mammoth Cave National Park, volcanic activity at Hawaii Volcanoes National Park, geysers at Yellowstone, rock formations at Arches and wetlands in Everglades National Park.

SF405 $140

American Girl Doll 'Romp & Circumstance'

ENTERING GRADES 1–3/ LIMITED TO 12

Anne Hess Mahan, Bishop Grade 5 Teacher

We will spend this week sharing our American Girl Doll friends and exploring friendships. Bring your special friend as we dress-up and play-act with our dolls, acting out both modern-day and historic scenes. Create a book and a matching accessory to take home. The fun will be non-stop. We'll end the week with a birthday party for our very special dolls. Bring a snack and your doll each day.

SF407 $140

Fun with FIMO

ENTERING GRADES 1-3/ LIMITED TO 12

Ben Diamond, Artist

Do you like the tactile feel of working with clay and creating 3D art? Do you enjoy working with your hands and creating sculptures? How about jewelry and figurines? Returning for our second summer after great fun last year, Fun with Fimo is a place to explore new artistic and creative territory. We will work around a different theme each day, creating animals, flowers, beads, people and more—there are endless possibilities!

SF409 $140

The Crafty Classroom

ENTERING GRADES 3–5/ LIMITED TO 8

Christine Capaldo, Bishop Grade 4 Teacher

Nothing is more exciting than being able to create something with your own two hands. Each class will focus on a different project—eye-catching jewelry, useful tools, yummy food creations, thoughtful gifts and puzzling games. Go home each day with two or three completed projects and directions on how to create more at home!

SF411 $140

Duct Tape Fun

ENTERING GRADES 3-5/ LIMITED TO 12

Leng Diamond, Weston Public Schools Special Education Teacher

This is an arts and crafts class where the primary material is duct tape. Come explore the endless creative possibilities that duct tape provides, from flip-flops and wallets to jewelry. We'll have a blast using our imaginations to come up with new ways of using a familiar material.

SF413 $140

Math Curse

ENTERING GRADES 3-5/ LIMITED TO 11

Crystal Power, Peirce Grade 3 Teacher

Math is FUN! We will spend a week reviewing math concepts such as place value, time measurement and mathematical operations in relation to books such as Math Curse. Ideal for students who need a boost of confidence with their mathematical abilities! Activities will include math puzzles and challenges, as well as math games. Our final project will include our very own version of Math Curse!

SF425 $140

Shark Week

ENTERING GRADES 4-6/ LIMITED TO 10

Keith Miller, Excel Academy Teaching Fellow

Did you know there are more than 350 different kinds of sharks, or that sharks can smell one drop of blood in a million drops of water? Come learn all about the different species of sharks, including the sharks spotted off Cape Cod! In this exciting course we'll learn all about what makes sharks such amazing predators, like their incredible skin, streamlined bodies and remarkable sense of smell.

SF415 $140

Out of This World Science

ENTERING GRADES 3-6/ LIMITED TO 12

Melissa Gridley, Chelmsford Public School Teacher

Explore the wide world of space with us. We'll go on a moon walk, explore how rockets work, visit different planets, perform experiments and work on art projects related to our topic of the day. It's out of this world!

SF427 $140

Knitting Plus

ENTERING GRADES 3-5/ LIMITED TO 8

Ellen McDonough, Bishop Teaching Assistant

For those with basic knitting experience, come have a fabulous fiber-filled time learning some new techniques. We'll each make a hat by reading and following a pattern. We will also cover new stitches and how to find and fix your mistakes, a most valuable skill when knitting.

SF417 $140

What's New, Cupcake?

ENTERING GRADES 3-5/ LIMITED TO 15

Randi Flynn, Ottoson Special Education Teacher, & Jenna Fernandes, Ottoson Grade 6 English Teacher

In this fun course, we will make different kinds of fun cupcakes each day, sample the cupcakes, decorate them and choose our favorites. You can bring favorite recipes from home that we can make and share with the class. We'll feature our five favorite recipes of the week to create a recipe book to take home. This course uses products that contain nuts.

SF419 $140

SummerFun String Orchestra

ENTERING GRADES 5-9/ LIMITED TO 20

Jing-Huey Wei, Ottoson Performing Arts/ Orchestra Teacher

For students who have more than two years of playing experience, the SummerFun String Orchestra is an excellent opportunity for you to continue playing your string instrument and to have a positive musical experience during the summer months. We will play classical, folk, pop and jazz music. We will also review scales and string techniques. Our week will culminate in a concert open to friends and family on Friday.

SF421 $140

Extra! Extra!: Print Journalism in Action

ENTERING GRADES 6-9/ LIMITED TO 15

Heather-Marie Larsen, Ottoson ELA Student Teacher

Join the SummerFun newspaper staff and explore what it means to be a journalist. We'll work with headlines, investigate, write, edit and publish our own articles to understand the power of print media.

SF423 $140
