

Note from the Director

Dear ACE Community,

We hope that you and your families are healthy and doing well during this trying period. We all look forward to a time when we can be together again in person. But until then, we are working hard to stay connected with you through online classes. You'll see that many of your favorite instructors are back and we also have dozens of new classes and instructors who are excited to engage with you virtually.

One of the silver linings of offering our classes online has been how many people participate as a way to stay connected to friends and family all around the country. We've had groups cooking together, playing ukulele, and learning sign language from places as far away as Montana, Alaska, and North Carolina.

There are a few differences this fall. Our catalog is smaller and only lists the class information because, no surprise, we are on a tighter budget. We ask that you visit our website to view details and descriptions online. Also, we have made changes to our youth programming: enrichment programs will be offered online and are grouped by category (not by school).

In response to your feedback, we are also introducing a new registration system. We're very excited about it and think you'll agree that the new Eleyo system is easier to navigate. But more importantly, it should also be more stable during times of heavy use.

We appreciate your support, and hope to be a valuable resource for you now, and as things continue to change.

Jen Rothenberg

Youth Classes (K-12)

Update!

All ACE classes for kids will be held online for the fall term. KidZone and TeenZone classes have been organized by category instead of by school. You can now take any class you like without being limited by location, and you can have friends or family from anywhere in the world join you! We sincerely hope to return to in-person classes for our winter term. In the meantime, we hope you will join us after school—virtually.

About the Artist

Artist Lara Heermance was born and raised in Arlington, MA. She is studying animation with a concentration in story and concept at Savannah College of Art and Design. The majority of Lara's art tends to be digitally drawn character and environment designs. But she also loves painting animals and nature in watercolor. oil, and digitally. Blue Jay in Autumn is an oil painting. She wanted to do a piece related to a fall theme, and felt inspired by blue jays due to a family that recently nested outside of her window. Visit https:// www.instagram.com/laralillysketches/ to see more of Lara's work.

Important Information

About Us

Arlington Community Education (ACE) welcomes all to participate in a wide range of engaging and affordable learning opportunities. ACE is a program of the Arlington Public schools and is completely supported by tuition received from our courses.

Who Can Enroll?

Anyone can enroll in our classes at the same low tuition. We welcome residents of Arlington and non-residents (with a lot more ease now that we are online!). Adult classes are open to ages 18+.

How to Register

We have a brand new registration system! All students must create a new account before registering. Go to **Arlington. CE.Eleyo.com** to create an account and follow the directions to register.

Registration must be completed online. Please note that the ACE staff is working from home. If you have any trouble with your registration, please do not call our office. Send an email to CommunityEd@arlington.k12.ma.us with your question and/or a phone number where we can reach you.

Registration closes at 2 pm the same day for all evening classes, and at 2 pm the day prior for all daytime and youth classes.

Waitlists

If the class you want is full, sign up for the waitlist! There's no charge and we often get last-minute changes or add sections when possible.

Registration Fee

A \$6 registration fee is charged once per person, per term, and is waived for courses \$30 or less. Fee is non-refundable unless a class is cancelled due to low enrollment.

Cancellations, Withdrawals & Refunds

If you withdraw from a course prior to three business days (Monday-Friday) of the course's starting time, we will offer you an ACE credit for future use for the full amount of the class less the \$6 registration fee.

ACE reserves the right to cancel classes due to low enrollment or other considerations. If we cancel your class, you will receive a full refund. In lieu of a refund you may opt for a course credit plus 10%.

If ACE is unable to complete a class series due to instructor illness, you will be issued a credit for the missed class.

No other refunds will be granted.

Tuition Assistance

Partial tuition assistance is available for most youth classes for APS students who receive free or reduced lunch. Please email us with a copy of your free-lunch form before registering.

Etcetera

ACE reserves the right to change instructors if necessary and correct prices, times, or dates due to typographical errors in our catalog or website.

The opinions, views, or recommendations expressed by instructors are their own, and do not necessarily reflect those of ACE. ACE does not endorse any service or product recommended or offered by instructors.

Gift Certificates Available!

Perfect for any occasion. It may come in an envelope, but it's truly a box of possibilities to learn and create.

To purchase, please email us at communityed@arlington.k12.ma.us.

Cook at home with us!
